DAMAGE & HEALTH

Add your current level to your damage thresholds.

The diagram illustrates the progression of damage levels. It consists of three main stages, each represented by a dark grey box with white text. The stages are connected by white arrows pointing to the right. The first stage is labeled 'MINOR DAMAGE' and 'Mark 1 HP'. An arrow points from this stage to the second stage, which is labeled 'MAJOR DAMAGE' and 'Mark 2 HP'. This arrow has the number '7' inside it. The second stage is connected to the third stage, labeled 'SEVERE DAMAGE' and 'Mark 3 HP', by another arrow with the number '14' inside it.

CLASS FEATURE

RALLY ☐

Once per session, describe how you rally the party and give yourself and each of your allies a Rally Die. At level 1, your Rally Die is a **d6**. A PC can spend their Rally Die to roll it, adding the result to their action roll, reaction roll, damage roll, or to clear a number of Stress equal to the result. At the end of each session, clear all unspent Rally Dice.

At level 5, your Rally Die increases to a **d8**.

Rally Die: d 6
